DETAILED ACTION

Claim Objections

1. Claims 23-31 are objected to under 37 CFR 1.75(c) as being in improper form because a multiple dependent claim cannot depend from another multiple dependent claim (these claims depend from multiple dependent claim 19). See MPEP § 608.01(n). Accordingly, these claims not been further treated on the merits.

Response to Arguments

2. Applicant's arguments, see Remarks, filed 5/2/06, with respect to claims 1 17 have been fully considered and are persuasive. The rejection of claims 1 & 17 under 35 USC §102 and the rejection of claims 2-4 & 18-20 under 35 USC §103 have been withdrawn. The rejection of claim 33 under 35 USC §102 has been obviated by its cancellation.

As noted by Applicant (5/2/06 Remarks: page 9, line 22 - page 10, line 10) the reflector arrangement of Hunt (the internally reflective walls of the light fibers in bundles 23) does not surround any portion of the *imaged-light path*. These light fibers convey light that has been *scattered* onto a path *other than* the recited imaged-light path (see claim 1, lines 14-15 and claim 17, line 9).

Art Unit: 2625

Allowable Subject Matter

3. Claims 1-22 & 32 are allowed.

4. The following is a statement of reasons for the indication of allowable subject matter:

Re claims 1 & 17 (and dependent claims 2-16, 18-22, & 32), the art of record does not disclose or suggest the recited reflector arrangement defining an internally reflective cavity surrounding an imaged-light path to an sensor for producing an image signal and the recited scattered-light sensor for receiving light scattered from this imaged-light path in conjunction with processing circuitry for receiving these signals and producing a compensated image signal.

Conclusion

5. This application is in condition for allowance except for the following formal matters:

As noted above, claims 23-31 are objected to under 37 CFR 1.75(c) because a multiple dependent claim cannot depend from another multiple dependent claim.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
